

West Lothian Soccer Development Association (WLSDA)

Friendly Match Permit Request Form

This form **should** be completed by all "home" teams in membership of WLSDA who wish to participate in a friendly match against another team in membership of the SYFA.

This form **should not** be completed if you wish to participate in a friendly match where the opposition is not in membership of the SYFA. In such cases you must seek and receive written permission from the WLSDA secretary before submitting the appropriate fee and form (signed by the WLSDA secretary) to the SYFA for final approval. This also applies to all requests for participation in tournaments whether played at home or abroad.

This form should be completed in BLOCK CAPITALS and sent with a SAE to the Association Secretary at the address below along with a cheque or cash for **£2**, cheque payable to WLSS. Any incomplete forms or forms submitted without the appropriate fee will be rejected. Successful applicants will receive a permit which must be handed to the referee along with completed teamsheets, before commencement of the match.

Any team who **participates** in a friendly match without a **valid permit** will be **subject to disciplinary procedures**. All referees have been instructed not to officiate at friendly matches without receipt of a valid permit.
